

# IVANNA CHUMATSKO

## FULL STACK DEVELOPER

Phoenix, AZ

480-577-1857

ichumats22@gmail.com

### OBJECTIVE

Full stack developer with experience in responsive website design and knowledge of server-side technologies. Well-organized and able to pick up new concepts quickly, I thrive in fast-paced environments with a variety of opportunities for creative problem solving. I am capable of completing projects independently or as part of a team, and hope to combine my social justice background and technical skills to improve conditions for underserved groups.

### SKILLS

- Bilingual (Eng-Spa)
- HTML
- CSS
- Javascript
- jQuery
- Node
- Express
- Handlebars
- React
- MySQL
- Firebase
- MongoDB
- Mocha
- Chai
- Git
- Heroku

### PROJECTS

#### *Shelter Finder*

<https://github.com/Kbuchanan032/Project-3>  
<https://p3-shelter-finder.herokuapp.com/>

A website which helps users find nearby shelters with available beds and gives providers a place to manage space, track current guests, and keep a record of past guests.

**Responsibilities:** designed and created UI, routed data from UI to MongoDB.

**Technologies:** React, Javascript, CSS, MongoDB

#### *Semi-Random Recommendations*

<https://github.com/AeroAtlas/Project2Beta3>  
<https://project2beta.herokuapp.com/>

Recommendation generator for movies, TV shows, and games based on user selected criteria and data gathered from two API's: The Movie Database (TMDB) and Rawg.

**Responsibilities:** designed and created UI

**Technologies:** Handlebars, Javascript, CSS

### EXPERIENCE

#### *Remote Service Specialist • Agency Resource Solutions*

*July 2018 – Present*

- Increased productivity in independent insurance agencies by creating custom processes for streamlining service tasks.

#### *Office Manager • Sherwood Insurance Agency*

*May 2016 – July 2018*

- Reduced onboarding time and improved compliance to company and industry standards through the development of training materials.

#### *Political Affairs Intern • The Borgen Project*

*January 2018 – May 2018*

- Augmented awareness and engagement of congressional representatives in support of foreign development aid.

### EDUCATION

#### *Full Stack Developer Certification • University of Arizona*

*September 2019 - March 2020*

#### *Bachelor of Science in Justice Studies • Arizona State University*

*September 2013 - May 2018*

- Dean's List (Fall 2013, Fall 2017)

#### *Scholastic Diploma • Higley High School*

*August 2010 – May 2013*

- Active member of Student Council and National Honor Society. Graduated with honors (4.0 unweighted GPS) a year ahead of schedule.
